

Subject : Thank You for The Opportunity

Dear Sir / Mam,

I hope this message finds you well.

Thank you for giving me the chance to connect and learn more about TCS during the recent process. I really appreciate your time and support.

It was nice talking with you. I'm excited about the possibility of joining your team.

Thanks again for your help. I'm looking forward to what comes next.

Warm regards,

Vikas Joshi

Subject: Apology for Delayed Response to Email

Dear Sir / Mam,

I hope you're doing well.

I'm really sorry for the delay in replying. I didn't mean to keep you waiting, and I regret any trouble this may have caused.

I truly value the chance to connect with TCS and am still very interested in joining your team.

Thank you for your understanding and for your time and patience.

Warm regards,

Vikas Joshi

Subject : Looking Forward to Application Update

Dear Sir / Mam,

I hope you're doing well.

I just wanted to follow up on my application for the Jr. DevOps Engineer role. I'm still very interested in the opportunity to work with TCS and would be grateful for any updates you can provide.

Thank you for your time and consideration. I look forward to hearing from you.

Best regards,

Vikas Joshi

Subject: Seeking a Conversation About Salary

Dear Sir / Mam,

I hope you're doing well.

I'd like to kindly request a discussion about my current salary. I've taken on more responsibilities and have been working hard to support the team's goals.

I feel this might be a good time to review my compensation, and I'd really appreciate your consideration.

Please let me know when it would be a good time to talk.

Best regards,

Vikas Joshi

Subject: Request for Assistance with Nginx Server Issue

Dear Sir,

I hope you're doing well.

I'm currently having an issue with the Nginx server. I've tried troubleshooting, but I'm still stuck and can't fix the problem. This is affecting the CloudStream service.

Could you please provide some guidance or support to help resolve it? I'm available to discuss this whenever it's convenient for you.

Thank you for your help.

Best regards,

Vikas Joshi
